

Note: This list strives to be a detailed listing of all Ontario sport team, sport organization and recreation groups that have a tobacco-free policy in Ontario. The list is managed and updated by public health representatives in the province of Ontario and the data within is collected as part of the Play, Live, Be Tobacco-Free project. This list is for information purposes only. The information entered is based on the data available to the individual entering the information and is not further evaluated for accuracy and consistency. Therefore, this listing should only be used for information purposes and serve as a starting point for any reserach into any entry or policy listed within. For a copy of any of the policies listed, please contact the local health unit.
